FACULTY OF ADMINISTRATIVE SCIENCE AND POLICY STUDIES

BACHELOR OF ENVIRONMENTAL ADMINISTRATION (HONS) - AM226

INTRODUCTION

The Bachelor of Environmental Administration (Honours), acronym BEVA (Hons), is a 3-year programme which prepares graduates for employment in public and private sectors. The programme is a creative and unique blend of the knowledge and skills needed to thrive in these sectors. Seminars in international environmental governance, sustainable development strategies, and environmental quality underpin the programme.

With a multidisciplinary focus and a global orientation, the programme provides the students with a healthy mix of knowledge bases essential for employment in the new millennium. The students can further expand their knowledge and hone their skills by choosing from various electives to match their preferences and career plans.
