FOREWORD

**ASSOC. PROF DR
ABDUL JALIL MOHAMED ALI
DEAN**

**FACULTY OF ADMINISTRATIVE
SCIENCE AND POLICY STUDIES**

2020 has been a very challenging year as pandemic Covid-19 hit hard on education system globally in particular the research programs in higher learning institutions.

While many have list of disappointments from 2020, here in FSPPP, we are grateful that we could still achieved many great things despite all the hurdles.

Throughout 2020, we were forced to adapt to the new normal. This new normal has affected the practice and approach in supervision, collecting data, defending research proposal as well as conducting viva-voce.

This pandemic has indeed taught us to be more creative, dynamic and resilient as we aim to continuously progress in the research program.

I would like to congratulate all research students for their tireless efforts and perseverance. My sincere gratitude to all FSPPP Postgraduate Research Program Team for their hard work to ensure no research student is an anonymous student and that every student will be guided and monitored in their research journey.

“We don’t grow when things are easy, we grow when we face challenges”.

Well done, FSPPP Postgraduate Research Program. Looking forward for a greater 2021!
